Melissa Graham teaches Math at South: "She cares so much about kids doing their schoolwork beyond math. I have watched her go through a student's grades and ask about each assignment (very few were math). She is tough but caring – students have no question about how much she wants them to succeed....She is a fantastic teacher-leader, who advocates for students and teachers as a vital member of the Student Intervention Team....She enthusiastically volunteers/cooperates for most any request for help or aid. She builds excellent relationships with kids!" Email Dr. Dain to nominate a South staff member for the Hard Hat Hero Award

Indian Woods Community Parent Presentations

During the months of October and November, Indian Woods Middle School and IWMS PTA will be offering several parent resource sessions for the community. These sessions will focus on parenting resources for raising teens and will help parents understand the current reality of technology.

Navigating Your Child's Mental Wellness

October 29, 2018 – IW Library – 6:30 PM

SPEAK UP - Suicide Prevention Education for Kids United as Partners, is a not-for-profit charitable foundation created in 2015 by two families who both suffered the devastating loss of a child to suicide. SPEAK UP will provide education and awareness, bridging gaps between the community, schools and parents. This presentation will encourage parent/student conversations with a navigation system regarding student mental wellness, give information on how to identify warning signs, and to offer resources if a child is at risk. Most importantly, to teach kids that it is okay to ask for help.

Top 20 Training: Social Emotional Learning for grades 7-12

November 7, 2018 – IW Library – 7 PM

This seminar comes from the work with businesses and schools in which the presenter will share the personal habits of the Top 20% of professionals as it relates to students. The session will challenge individuals on how to help teens develop successful social-emotional habits, be successful learners, and to think differently as they respond to situations.

Keeping Kids Safe Online

November 14, 2018 – IW Library – 6 PM

The mission at Sunflower House is to protect children in our community from physical and sexual abuse through education, advocacy, forensic, medical and therapeutic services. Sunflower House is a local non-profit organization. They will present information on how to keep kids safe online. In this session, parents will learn more about possible dangers of internet usage, practical safety tips & tools, and the cyber-crime reporting process. This presentation covers electronic safety concepts for gaming systems, music devices and other wireless/internet communication. This material was designed by Sunflower House, Overland Park Police Department and FBI Cyber Crime Task Force. **This program is appropriate for adults only.**
