Tonya Cossairt works as a paraprofessional at SM South, and was nominated by her colleagues: "Tonya has been boots on the ground for all of the Special Olympics Unified practices this year. I fill out the paperwork, but she's the one working with kids and actually making ALLLLL of this go. It's a ton of extra work on her part, but she does it out of love. I really appreciate her!" Thank you Mrs. Cossairt for all you do for our students!

This school year (2019-2020) the Shawnee Mission School District is utilizing the Panorama Social-Emotional Learning survey to assess student's perseverance, grit, determination, school culture and student-teacher relationships. The Panorama Social-Emotional survey takes approximately 30 to 45 minutes to complete and will be administered once each semester.

- Parents must **opt their student(s) in** by signing into Skyward and completing a consent form (instructions attached).
- Parent/Guardian Consent (done via Skyward): due no later than **March 6, 2020!**

Survey data will be reviewed at the district and classroom level to determine areas of strength, as well as areas where more instruction and/or support is needed. Once survey results are returned, parents/guardians are welcome to see and discuss the results with their students' teachers, social workers, and counselors. Sample survey questions can be found [here](#) and [here](#).

We encourage you to visit the Kansas State Department of Education (KSDE) website to learn more about how Social Emotional Learning benefits your child and their environment: <https://www.ksde.org/Agency/Division-of-Learning-Services/Career-Standards-and-Assessment-Services/Content-Area-M-Z/School-Counseling/Social-Emotional-Character-Development-Standards-Assessment-and-Instruction>.

All data is maintained by SMSD and will remain confidential! For more information about the Panorama SEL survey, visit <https://www.panoramaed.com/social-emotional-learning>

South Swag Shop

In cooperation with grant money from the Shawnee Mission Education Foundation, we will be opening "South Swag Shop", a Career Closet for our students at Shawnee Mission South. This is for students who may otherwise not be able to acquire, to have a place they can get professional clothing for job interviews, scholarship interviews, school dances, debate tournaments, etc.

Starting Tuesday, January 21, 2020 there will be a link added to the school website for students to access. This service will be offered at no cost to the student. This service will also be completely anonymous, so the student will not be hesitant to use the service.

If you, or your family, have professional clothing you'd like to donate to this cause, please keep us in mind. We are in need of dress shirts, slacks, ties, shoes, belts, dresses and suits – both men's and women's and all sizes.

Shayla Sullivan, MD

Children's Mercy is partnering with the community to empower parents with information early to help prevent some of the painful experiences that we have witnessed.
