Follow Dr. Dain @SMSouthTDain

Jill Oliver teaches art at SM South and she was nominated by her colleagues: "The last two weeks have been an extremely busy time in the art department with several shows hitting at once. She single-handedly took on the Black History Month display and it was AMAZING! As for the other shows, the wonderful thing is that she is able to simply walk out into the hallways and choose from any number of works for display because ALL of her student work is so fabulous! Kids love being in her class and do great things because of her instruction. She is fantastic to work with and an asset to the department and to SMS!"

Email Dr. Dain to nominate a South staff member for the Hard Hat Hero Award

Social-Emotional Learning Survey

This school year (2019-2020) the Shawnee Mission School District is utilizing the Panorama Social-Emotional Learning survey to assess student's perseverance, grit, determination, school culture and student-teacher relationships. The Panorama Social-Emotional survey takes approximately 30 to 45 minutes to complete and will be administered once each semester.

- Parents must **opt their student(s) in** by signing into Skyward and completing a consent form (instructions attached).
- **Please log in to Skyward and complete the parent consent form by or before March 6, 2020.** For more information about Panorama in SMSD, please contact your student's school and/or follow this [link: SMSD Panorama Q & A](#).

Survey data will be reviewed at the district and classroom level to determine areas of strength, as well as areas where more instruction and/or support is needed. Once survey results are returned, parents/guardians are welcome to see and discuss the results with their students' teachers, social workers, and counselors. Sample survey questions can be found [here](#) and [here](#).

We encourage you to visit the Kansas State Department of Education (KSDE) website to learn more about how Social Emotional Learning benefits your child and their environment: <https://www.ksde.org/Agency/Division-of-Learning-Services/Career-Standards-and-Assessment-Services/Content-Area-M-Z/School-Counseling/Social-Emotional-Character-Development-Standards-Assessment-and-Instruction>.

All data is maintained by SMSD and will remain confidential! For more information about the Panorama SEL survey, visit <https://www.panoramaed.com/social-emotional-learning>
