Staff member of the week

Jennifer Morris

Tweet of the Week!

Scott Hiron @SMSMrHiron · 18h

In 20 years of teaching, this may be the group of students I admire the most. They handled the end of last school year with such composure...so glad I got to teach them @SMSouthTDain

Jennifer Morris teaches math at South, and she was nominated by a student, "personally last year, I struggled a lot with math and this year with COVID and everything she has done an outstanding job teaching all her classes how to do the math. Everyday she comes in with a positive attitude ready to make math fun and engaging. She is super helpful and I have really enjoyed having her as a teacher this year!"

SMSD Calendar Updates!

On Monday, January 25, the Shawnee Mission Board of Education approved a revised calendar for the remainder of the 2020-2021 school year. A copy of the calendar may be found on the district's [website](#). Barring unforeseen circumstances that would prevent SMSD from holding classes, here is a brief summary of the changes in the new calendar:

- **Friday, March 19 – No school, professional learning**
- **Wednesday, May 26 – Last day for Pre-K**
- **Graduation: Monday, May 24: SM South @ South Stadium 8:00 PM**
- **Thursday, May 27 – Last day for grades K-11 (early release)**
- **Friday, May 28 – Teacher Workday/Last day for staff**

Based on the revised state guidelines, **the last day of class for seniors** will be Wednesday, May 19.

Student Camera Expectations

Beginning the second semester, SM South will expect students to have their computer cameras turned on when the teacher requests that they do so on remote-learning days.

This means the camera is on and the teacher should see smiling student faces 😊!

(no, you can't get out of this by pointing the camera at the ceiling).

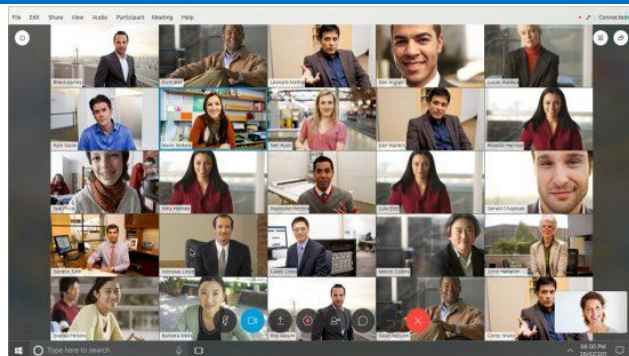

This will allow for a more engaging and effective remote learning environment. The benefits of having cameras turned on during instruction include:

- Camera use increases the connection between the teacher and the student;
- Teachers are more able to identify and call students by name;
- Teachers are more able to check to see if students are engaged, to provide feedback for learning, and to check for confusion.

If you have any technical issues or other concerns, please communicate with your student's teachers as soon as possible. Thank you for your cooperation and support. If you have further questions or concerns regarding this expectation, please contact the your administrator.

CANVAS

Are You Set Up As An Observer In Canvas?

- Parents/Guardians can access observer accounts to view grades, resources, and activities posted in their child's course. There are two ways to access and interact with Canvas as a parent: 1) using the Canvas [website](#) from a computer or phone and 2) using the Canvas Parent App. ([iOS](#), [Android](#))
- **#1 Create the account** When creating an account, you will need to have your child's "pairing" code. Your child can log into his/her account and retrieve the pairing code. An observer account can be created within the app for mobile devices ([iOS](#), [Android](#)) or via the URL <https://smsd.instructure.com/login/canvas> [PDF Screenshots](#)
- **# 2 Logging In** When visiting the URL, <https://smsd.instructure.com/login/canvas>, you will be asked to find your school. Begin typing Shawnee Mission and select parent/guardian. At the login page, select "parent of a canvas user-create account."

[Canvas Observer Guides](#)Setting Notifications in Canvas ([video](#)) [Screenshots Guide](#)

Tips for Managing Multiple Children in Canvas

Course Nicknames

- You may adjust the nickname for each course. That way, you can include each child's first initial or name ahead of the course name (ie: "K: US History" or "Kelly: US History").
- Course nicknames appear in the Dashboard, course navigation menu, course breadcrumbs, and notification emails. The nicknames will also appear on the Canvas app.
- The course nickname is only available to the individual user who created the nicknames.
- To access the nickname field, click the three dots in the top right hand corner of the course card.

Course Colors

- Another option is to color code the course cards so all of child #1's courses are one color, all of child #2's courses are a second, etc.
- The color that is shown on the course card is synced with the color shown for the course in the Calendar.
- The course card colors are only available to the individual user who selected the colors.
- To select course card colors, click the three dots in the top right hand corner of the course card.

Canvas Parent App

- While viewing Canvas from a web browser as an Observer gives you very detailed information about the course, the Canvas Parent App allows the Observer to view a student's course events (calendar) and upcoming assignments, and course announcements.

The Parent App allows the Observer to view one student's course information at a time.

SMSD For Trees

Overview:

SMSD For Trees is a service project aiming to plant trees around the Johnson County area in Spring 2021. Our goal is to plant over 200 trees the weekend of April 24, which is Global Youth Service Day. These trees will be planted at local parks and schools in the area by members of the Shawnee Mission South and East National Honors Societies.

Community Tree

Sponsors:

With a donation of \$75 to *SMSD for Trees*, you will become a Community Tree Sponsor, having a preference of where your tree is planted and receiving a certificate with recognition of your contribution.

To make a donation of any amount, contact us via email at smsd4trees@gmail.com

ACT Test Prep Class

Want to increase your ACT score? Apply for more scholarships? Improve your chances for admission at your college of choice? Then this class is for you.

WHEN: Monday, February 15th OR
Tuesday, February 16th
8:30 AM – 2:30 PM
(45 min lunch break included, BYOL)

WHERE: Lenexa Conference Center
8741 Ryckert St
Lenexa, KS 66219

WHY: This class includes practical and relevant information on how to increase your ACT score. It shows you how to control the test and not let it control you. Because the ACT is predictable, it is highly susceptible to test-smart strategies. The class covers what will be on the test and how to master test-taking techniques.

This class is not a practice test!

Learn general ideas about the ACT as a whole and the individual tests:

- **English** - Learn what ACT test-writers are looking for and how to approach different types of questions.
- **Math** - Learn what problem-solving skills and math skills you need.
- **Reading** - Learn your best method for doing well on ACT reading.
- **Science** - Learn common question types and what's really required to do well.

COST: \$65 per student

REGISTRATIONS AFTER 2/8/21 ARE \$75

About the Program: Carolyn Devane has been teaching ACT classes and helping thousands of students improve their scores since 1999. Here's what students are saying:

"Not going to lie. I'm scared to tell my mom that this singular course was much more effective than the ACT course she enrolled me in. I think I can finally get my 36 and be less scared to apply to my dream Ivy League School. 😊"
— Anonymous Student, KSU ACT Class (June 2019)

"I took the class a week before the April ACT, and I improved my composite score by 3 points to a 30. I brought my English score from a 24 to a 31 and my Science from a 25 to a 31. The class really helped me with strategies."
— Bobby, Eudora High School (May 2018)

"I was able to increase my scores, with an overall 4-point increase in my composite. The test taking strategies helped me practice and manage my time. The class was worth the time and money."

— Anonymous Student, Pittsburg High School (Dec. 2017)

"I heard a lot about the class from my brother and, while it helped him raise his composite score by four points, I was a bit skeptical that one class could make such a difference. I was wrong! My composite score rose four points as well and my science score went from a consistent 22 to a 31 on the test right after I took the class! I am grateful that I was able to raise my score, allowing me to qualify for thousands more dollars in scholarships, and I credit all of this to the great class. Thank you!"

— Ben, Abilene High School (June 2017)

"Thank you so much for coming to Sabetha High School. I took the December ACT, hoping for a 29 or 30. The previous test I had gotten a 27. When I got my score back, I had gotten a 32!! A 5-point increase!! Thank you for showing us testing skills and strategies; it helped a lot!"

— Anonymous Student, Sabetha High School (Dec. 2016)

"I took the ACT in April and wanted to improve my score. Then I took the ACT Power Prep Class in May and also did the timed practice tests at home to help prepare. On the June ACT, my overall score went up 5 points and my science score went from a 24 to a 36! This class was the key! I truly learned the strategies needed to improve my score. Thanks for a great class."

— Jared, TMP – Marian High School, Hays (June 2015)

Steps to Register and Pay:

1. Go to <https://actprep.info/shawneemission> or scan QR code.
2. Complete the registration and pay online.*

*A receipt of successful registration will be emailed immediately.

2021 Senior Signing Celebration

Shawnee Mission South High School will host our Annual Senior Signing. During this celebration, we want to recognize each senior who plans to continue their education or training, including those attending 4-year schools, 2-year schools, training and certificate programs, and those pursuing opportunities with the military.

This is a celebration for our seniors and an opportunity for them to be recognized for their efforts. We are planning a virtual senior signing presentation again for this spring.

Please provide as much information as you can so we can celebrate the SMS successes! Deadline to provide senior info is by **April 2, 2021**.
