Select your courses and alternates carefully: SMS builds its master schedule upon student requests as expressed during the enrollment process. Once the master schedule has been built our ability to change requests decreases significantly.

Schedule changes are considered when we identify..

- Scheduling Errors: We've duplicated or repeated a course in your schedule; your schedule is incomplete; a core course is missing.
- Graduation Requirements Not Met: You are a senior missing a class necessary for on-time graduation or have failed a course.

Schedule changes are unlikely when you have a...

- Change of Mind: You've changed your mind about taking the course; you don't remember having enrolled for a course.
- Preference about teacher, hour: Your friends are in another section; you want a different teacher; you prefer a different hour.

Classification of Students-Students attain grade level classification according to the number of credits/units they have earned.
