Outdoor Activities Begin June 15, 2020: In compliance with the Kansas Framework and KSHSAA guidelines, outdoor activities, such as conditioning for fall sports and band practice, may begin starting on June 15, 2020.

Building Access: All school buildings in SMSD continue to be closed, and will remain closed, through **July 20, 2020**. Building access is prohibited to students and staff until July 20.

Personal Item Retrieval: All textbooks, library books, etc. have already been removed from student lockers. Students (or parents) are not allowed to enter the building until July 20. This means students that still have personal items in their locker/gym locker will not be allowed to retrieve them until July 20. More information will be forthcoming regarding student access in July.

Fee Payment / Registration 20-21: Due to COVID 19, families are encouraged to register / pay fees online. Mark your calendars, as Friday, July 31 is the date we have tentatively set for Registration Day / Fee Payment. Look for more information coming as we receive further guidance from Johnson County Health Department and the district regarding face-to-face payment options.

RAIDER ATHLETICS UPDATE

Good Afternoon Raiders!

As you know by now, the SM School District has moved up the date to start voluntary summer activities from July 6 to **June 15, 2020**.

So, starting Monday, there will be some normalcy returning to all our activities. However, as our coaches know, our activities still have some limitations and restrictions that I ask all participants to understand and follow. As I indicated in my previous letter to students and parents, these summer activities will still be run pursuant to all KSHSAA summer guidelines. You can read what those guidelines are [HERE](#). Additionally, KSHSAA has put out responses to some frequently asked questions, which can be reviewed [HERE](#).

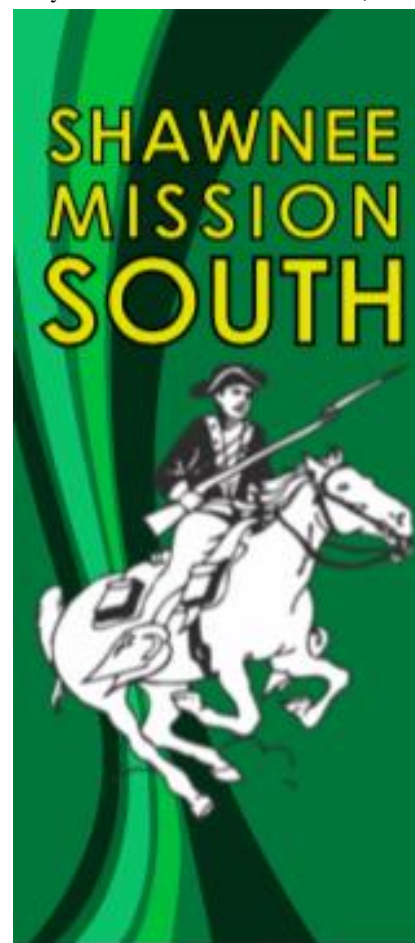

Our hope is that our students understand that although the summer activities are not the same as previous years, it is a huge positive that the athletes and coaches can get together as Raiders - to start conditioning, to get "reacquainted" and to get a sense that things will return to normal sometime soon. Please familiarize yourself of some very important reminders for the first day and week of activities;

- No carpooling - come with a parent or drive alone (siblings can come together);
- Each participant **MUST** bring her/his own water in a sufficient volume to last the entire workout;
- Each participant **MUST** bring her/his own hand sanitizer;
- Small bags are allowed for personal belongings (car keys, water bottle, face mask, cell phone and hand sanitizer). These must be stored in a designated area with all bags at least 3' apart; and
- Each participant **MUST** bring her/his own mask to use as required in #7 below.

IMPORTANT - The SM South building will be off-limits for any students until Monday July 20, and all activities until July 20 will be held outdoors. Your head coach will also be providing you rules and protocols unique to the particular sport for activities.

Finally, please make sure you are aware of the best practices for Covid 19 concerns. This is an uncertain time for all, so please make sure to best protect the health and interest of your child and let us all enjoy this return to Raider activities!

- John E. Johnson, Athletic Director

WE HAVE A SMALL – BUT IMPORTANT – UPDATE REGARDING SALES AND PURCHASING A COPY OF *HERITAGE 2020*.

HOW DO I KNOW IF I PURCHASED A YEARBOOK?

- You should be able to check your Skyward account fees to see if you purchased a yearbook at fee payment last July.
- Another way to check is your receipt if you purchased a yearbook in person from T. Love. That receipt proves you purchased a yearbook.
- The final way to check is to contact T. Love at tuckerlove152@smsd.org. He has the final list of all yearbook purchases, as of May 18.

WILL THERE BE EXTRA YEARBOOKS?

- There are about 75 extra yearbooks available for sale. These books can be purchased online between June 8 and July 10.
- Additional overrun books – extra books printed during the publishing process – can also be purchased with cash or check in August.
- We will NOT be doing any cash, check or credit card sales during our distribution event.

CAN I STILL PURCHASE A YEARBOOK?

- At this time, yes! We have figured out a way to set up an online store in order to sell yearbooks using a credit card.
- Unfortunately we still do not have the means to process credit card payments for yearbooks in person and we will not be conducting cash sales during our modified distribution method for health and logistical reasons.
- We will sell as many books as we have available through the Balfour online store. Follow the instructions on this info sheet for help with the purchasing process.

BEFORE I BUY...

- Make sure you confirm with T. Love if you have or have not already purchased a yearbook.
- To do so, email him and ask if a yearbook was purchased for "First and Last Name."
- He will check the master list and let you know. If you have not purchased a yearbook yet, follow these steps to do so.

HOW TO BUY A YEARBOOK ONLINE

- Go to www.balfour.com in a web browser. It is recommended you do this from a desktop or laptop and not a mobile device.
- On the left-hand side of the page, underneath "Shop my school," click "Yearbooks."
- When prompted, type Shawnee Mission South in the search bar and then click on the option that pops up.
- You will be asked to provide your student's first and last name and grade. **Do not skip this step as it is important for tracking and distributing the yearbook to you without any hiccups**
- Click the "Shop for this student" button after entering the information.
- The only option you should see is the Yearbook Only Package for \$60. If you see more options or no options, please contact T. Love. Otherwise, click "Get started."
- Determine your quantity and then click "Add to cart."
- After this, you will be prompted to keep shopping or checkout. Click "checkout."
- Provide the requested information and place your order. You should be all set with a copy of the 2020 Heritage secured for your student!

IMPORTANT INFO

- Yearbooks cost \$60.
- There is a \$1 service fee charged by Balfour for processing, making your total \$61.
- There are a limited number of yearbooks available. When they are sold out, the online store will close down.
- All questions regarding SM South yearbook purchases should be directed to tuckerlove152@smsd.org.

Kansas Pandemic EBT

While schools are closed due to COVID-19, families with children age 5-18 who received free or reduced-priced meals from August 2019-May 2020 will receive up to \$291 per child in Pandemic EBT (P-EBT) benefits to purchase food. This benefit is in addition to any other services families are currently receiving.

How will families receive their P-EBT benefits?

Most families with eligible children recently or currently participating in Food Assistance, Child Care or TANF (cash assistance) programs will automatically receive the one-time benefit to their EBT card in the next few weeks.

Families not actively participating in these programs, but whose children receive free or reduced-price meals will be mailed a Kansas Benefits Card with benefits pre-loaded in the next few weeks. If these families do not receive a Kansas Benefits card by **June 5th**, they may need to provide additional information to DCF. These families should watch for a confidential weblink provided by their school district.

Use it like a debit card.

Families will receive the P-EBT benefit on a Kansas Benefits Card. This card functions like a debit card and can be used to purchase eligible food items at EBT authorized retailers. Non-food items *may not* be purchased with this card.
