Secondary Remote Learning Day: Friday, October 23. Friday, October 23 is being designated as a remote learning day for all middle and high school (secondary) students enrolled in In-Person Learning in the Shawnee Mission School District. Students will have contact with their 1st hour teacher the beginning of the school day at 7:40am. Teachers will provide them with tasks / assignments to be completed during the remainder of the day. After that initial meeting, students will work independently the rest of the day on those assignments, while teachers continue their work to be prepared for the learning mode transition on Monday, October 26.

State Required Learning Logs – UPDATE: Shawnee Mission School District recently requested that all parents acknowledge three assurances regarding remote learning. The request comes because the Kansas State Department of Education recently changed its the three assurances, we will no longer need to require that students complete and parents sign a daily learning activity log, which would have gone into effect once we entered hybrid learning mode. Your help and cooperation is greatly appreciated. **Please log on to [Family Access](https://www.smsd.org/families) to complete the form.** <https://www.smsd.org/families>

Panorama Information for Parents/Guardians:

This school year (2020-2021) the Shawnee Mission School District is once again utilizing the Panorama Social-Emotional Learning survey to assess student's perseverance, grit, determination, school culture and student-teacher relationships. The Panorama Social-Emotional survey takes approximately 30 to 45 minutes to complete and will be administered once each semester. The first survey window is scheduled for November 2 through November 9, 2020. The Panorama Survey can be completed by students in the remote, hybrid or in-building learning environment. Parents/Guardians would have opted their student(s) in or out of the survey during the 20-21 registration process. Survey data will be reviewed at the district and classroom level to determine areas of strength, as well as areas where more instruction and/or support is needed. Once survey results are returned, parents/guardians are welcome to see and discuss the results with their students' teachers, social workers, and counselors. Sample survey questions can be found [here](#) and [here](#).

We encourage you to visit the [Kansas State Department of Education \(KSDE\) website](#) to learn more about how Social Emotional Learning benefits your child and their environment. All data is maintained by SMSD and will remain confidential. Please visit [this site](#) for more information about the Panorama SEL survey.

Cyberbullying

A QUICK-GUIDE FOR PARENTS

ConnectSafely

➡ What is cyberbullying, anyway?

For the most part, cyberbullying is bullying, only it happens on phones and other connected devices. Most experts agree that it involves repeated harassment and some type of power imbalance – and, when young people are involved, it usually has something to do with what’s happening with peers at school. It’s important to remember that not every mean comment or unpleasant interaction rises to the level of bullying.

How likely is it? ⬅

Centers for Disease Control reports that 15% of high school students were electronically bullied in 2017. Cyberbullying Research Center estimates about 25% of all teens experience cyberbullying. Either way, it’s too many, but it’s important to note that most teens don’t bully others. We point this out not to minimize a serious problem, but to emphasize that bullying is not a norm. Kindness, not cruelty, is the norm.

➡ What are the signs?

Often there are no signs, but you might notice that your child has difficulty sleeping, a change in online habits (such as checking social media constantly), declining grades, not wanting to go to school, feelings of helplessness or decreased self-esteem. In the case of physical bullying, there could be broken or missing items or injuries.

What do I do if my child is cyberbullied? ⬅

If your child does experience cyberbullying, as a target or a bystander, supportive parenting can go a long way toward minimizing the impact. It’s usually best for your child to not react or retaliate, but to block the person who is bullying and save the evidence in case it’s needed. But the most important thing to do is talk with your kids about what’s going on, help them think through what happened, how they feel about it, and what they’re going to do about it. It’s important to involve your child in the process, not just take over yourself. (Continued on reverse.)

## 2020-21 Heritage Yearbook

### Senior Tributes

One thing is for certain in 2021, you will want to celebrate your senior's graduation with a Senior Tribute in the 2021 *Heritage*. Seniors love seeing a tribute for them when they open the yearbook up and flip through it. Purchase one starting Sept. 8 to commemorate their time as a Raider!

There are two due dates for tributes, with prices increasing after the first deadline. The first deadline to purchase a tribute is Oct. 9. The best way to purchase a Senior Tribute this year is online. To pay online and submit your photos digitally, go to [www.balfour.com](http://www.balfour.com) to start the process. Choose Shawnee Mission South and follow the instructions listed on the Senior Tribute contract.

If you are unable to upload photos digitally or require cash/check payment, you can drop off the Senior Tribute contract along with payment and photos at the SMS front office or mail them to SM South, attn. Tucker Love.

After you submit your Senior Tribute information, you will receive a digital proof by Jan. 10. Not all will be done by then, but we hope a majority will be. If you have not received anything by this date, please email [tuckerlove152@smsd.org](mailto:tuckerlove152@smsd.org) and check on the tribute.

Thank you so much for supporting the *Heritage* yearbook. We look forward to designing your senior's tribute.

If you have any questions, please contact yearbook adviser Tucker Love at (913) 993-7605 or [tuckerlove152@smsd.org](mailto:tuckerlove152@smsd.org).

### 2021 Yearbook Sales

The 2021 yearbook plans to cover all aspects of student life — whether online at home, or in-person at SM South. Don't miss out on a historic book, chronicling the 2020-2021 school year.

The yearbook staff are encouraging families to purchase their yearbook online this year, using a credit card and avoiding any cash or check transactions in an effort to limit traffic at school and create a zero-contact situation. If you do not purchase your yearbook during online fee payment, you may purchase one with a credit card over the phone with the bookkeeper until December 11. You also have the option to purchase your yearbook using a credit card at [www.balfour.com](http://www.balfour.com) starting September 8. Choose YEARBOOKS, search for Shawnee Mission South and follow the website prompts. There is a \$1.00 service fee if you choose to purchase through Balfour.com.

After December 11, the only way to purchase your yearbook is through Balfour.com. The cost of the yearbook goes up to \$60 starting January 1 so purchase your copy early!

If you have any further questions, please do not hesitate to contact yearbook adviser, Tucker Love at (913) 993-7605. ***(This email was sent to all students and parents. Please disregard this message if you have already purchased a 2021 yearbook.)***

# INTERACT CLUB

## Do you want to:

- Make a difference in your community?
- Build friendships?
- Become a Leader?
- Earn service hours for NHS or college?

## What is Interact?

Come join Interact! The SMS Interact club is a student led organization partnered with the Rotary Club, where students can come together and build leadership skills, make friends, and also earn service hours for clubs like NHS. Being a part of the Interact Club helps students make important connections within the community, and helps them become a leader and role model for others.

Due to the current global situation, there is a limited number of places and ways to volunteer. Interact is still trying to help find safer and socially distanced ways to help. However, there are no required service hours.
