All students will have semester 2 Canvas course cards active by Monday January 25, 2020. Please have your student check their schedule in Skyward and be ready to log into the correct course card on the appropriate days. If there are any problems with Canvas or course cards, please contact [lindsaystephenson@smsd.org](mailto:lindsaystephenson@smsd.org). Students will still have old course cards active for resources. They will be moved to “past enrollments”. Students will not be able to turn in assignments, but can access notes, work and videos from the previous semester as needed.

## Student Camera Update!

Beginning the second semester, SM South will expect students to have their computer cameras turned on when the teacher requests that they do so on remote-learning days.

**This means the camera is on and the teacher should see smiling student faces 😊!**

***(no, you can't get out of this by pointing the camera at the ceiling).***

This will allow for a more engaging and effective remote learning environment. The benefits of having cameras turned on during instruction include:

- Camera use increases the connection between the teacher and the student;
- Teachers are more able to identify and call students by name;
- Teachers are more able to check to see if students are engaged, to provide feedback for learning, and to check for confusion.

If you have any technical issues or other concerns, please communicate with your student's teachers as soon as possible. Thank you for your cooperation and support. If you have further questions or concerns regarding this expectation, please contact the your administrator.

# ACT Test Prep Class

Want to increase your ACT score? Apply for more scholarships? Improve your chances for admission at your college of choice? Then this class is for you.

**WHEN:** Monday, February 15<sup>th</sup> OR  
Tuesday, February 16<sup>th</sup>  
8:30 AM – 2:30 PM  
(45 min lunch break included, BYOL)

**WHERE:** Lenexa Conference Center  
8741 Ryckert St  
Lenexa, KS 66219

**WHY:** This class includes practical and relevant information on how to increase your ACT score. It shows you how to control the test and not let it control you. Because the ACT is predictable, it is highly susceptible to test-smart strategies. The class covers what will be on the test and how to master test-taking techniques.

**This class is not a practice test!**

Learn general ideas about the ACT as a whole and the individual tests:

- **English** - Learn what ACT test-writers are looking for and how to approach different types of questions.
- **Math** - Learn what problem-solving skills and math skills you need.
- **Reading** - Learn your best method for doing well on ACT reading.
- **Science** - Learn common question types and what's really required to do well.

**COST:** \$65 per student

**REGISTRATIONS AFTER 2/8/21 ARE \$75**

**About the Program:** Carolyn Devane has been teaching ACT classes and helping thousands of students improve their scores since 1999. Here's what students are saying:

"Not going to lie. I'm scared to tell my mom that this singular course was much more effective than the ACT course she enrolled me in. I think I can finally get my 36 and be less scared to apply to my dream Ivy League School. 😊"  
— Anonymous Student, KSU ACT Class (June 2019)

"I took the class a week before the April ACT, and I improved my composite score by 3 points to a 30. I brought my English score from a 24 to a 31 and my Science from a 25 to a 31. The class really helped me with strategies."  
— Bobby, Eudora High School (May 2018)

"I was able to increase my scores, with an overall 4-point increase in my composite. The test taking strategies helped me practice and manage my time. The class was worth the time and money."

— Anonymous Student, Pittsburg High School (Dec. 2017)

"I heard a lot about the class from my brother and, while it helped him raise his composite score by four points, I was a bit skeptical that one class could make such a difference. I was wrong! My composite score rose four points as well and my science score went from a consistent 22 to a 31 on the test right after I took the class! I am grateful that I was able to raise my score, allowing me to qualify for thousands more dollars in scholarships, and I credit all of this to the great class. Thank you!"

— Ben, Abilene High School (June 2017)

"Thank you so much for coming to Sabetha High School. I took the December ACT, hoping for a 29 or 30. The previous test I had gotten a 27. When I got my score back, I had gotten a 32!! A 5-point increase!! Thank you for showing us testing skills and strategies; it helped a lot!"

— Anonymous Student, Sabetha High School (Dec. 2016)

"I took the ACT in April and wanted to improve my score. Then I took the ACT Power Prep Class in May and also did the timed practice tests at home to help prepare. On the June ACT, my overall score went up 5 points and my science score went from a 24 to a 36! This class was the key! I truly learned the strategies needed to improve my score. Thanks for a great class."

— Jared, TMP – Marian High School, Hays (June 2015)
